Situation needed Mr. Buchs intervention to get resolution with Transportation. Message sent out to parents of this. 6th and 7th grade are going very well. Brittany and Mr. Piel are doing polos this year...they will be blue with the Central Music logo. Concert in December.

There are three students going to the Illinois High School Theater Festival...All-State Musical "Shrek," Rachel Burton, costumes, Jake Winkelhake, white rabbit and Jenna Dumel (sp?), tech/props (making the dragon). The festival is January 2023 at the University of Illinois and includes experiences like tradeshow, auditions, workshops, interview prep, portfolio development. Amy Rodriguez and Ted Juske helped to get the funding for the students to attend, cost was \$550pp (covers everything). Future drama club, bring small show down, drama club started last week-more momentum this year. Thinking about a staged reading for Sleigh Bells Ring. Next week expanding other programming. IHSA drama/theater competitive area: how do we get students to compete? Christine to research this. Possible theater swag? T-shirts, etc. w/theater logo...Coordinate w/boosters.

**Bonnie:** Parents have expressed interest in music swag...include theater. Doesn't make a lot of \$\$ but it's really about the representation, school spirit, school culture. Cheerleaders and other sports wear their swag to school and outside school.
