Jim Struyk: Big band this year, good growth, Jordan Pedigo to add additional chorus (Intermediate Chorus) plus Music Theory AP, Fall Play TBD/pending and Spring Musical is “Legally Blonde.” Summer camp went great, great friends and family show turnout, we have a new assistant principal and new athletic director.

Kevin Fredrick: CMS 8th grade “covid” class is the most dedicated group and devoted, ready to get back to pre-covid protocols.

Treasurer’s Report: Chris Kobylewski, CPA, new Treasurer

Official budget not available yet, already met with Bonnie, plans to meet w/Bonnie in person next weekend at the bank, doesn’t have a normal P&L spreadsheet. Plan is to refine fundraising efforts this year.

Treasurer Notes from Bonnie:

Village Squire: \$450

Top potential revenue events: Triple B, Klein’s, Sleigh Bells Ring, Village Squire, FootballMania (goal is \$15,000...we only pushed high school last year, need to push program out to middle and elementary school, push harder at high school), Interest, AmazonSmile (maybe made \$200)

Expenses: Director's Fund, event sponsorship, scholarships, recognition and awards, concerts, seniors, school equipment, FootballMania, Sleigh Bells Ring, (Total all \$18,650) Insurance for board (\$1000)

Secretary Reports: Bonnie has these

Motion to approve May: Approved

Motion to approve June: Approved

Chair Reports:

Spirit Wear: Angela Carlson & Christina Ventura, need one more parent

Scholarship: Brittany Mylott

Communication: Kathy Olvera, social media coordinator, student run Instagram page, Twitter acct

Sharon Miller: Website, what's on Facebook should be on the website

FootballMania: Karen Grewal, tickets \$300/1,500 tickets - 300 paper, 350 online, per Jim, we should order 1,500, easy to order more tickets, last year FB Mania the 6th and 7th grades weren't able to participate...the faster the Directors can get materials, the faster Jonathan and Brittany can get it into PKMS newsletter and principal's message.

Email is already prepped and ready to go out in the middle of second week of school. Will send tickets home before Labor Day. Students can set up their own selling accounts.

1st NFL game is 8/8/22.

Tickets can still be purchased after the NFL season has started but chances of winning are reduced. Also, cannot win on a ticket that has been played.

Link goes live once we commit.

Should we offer a prize to the top student ticket sellers? Yes! Possible two \$100 gift cards

How to track? From the FootballMania website, FBMania tracks all the details of the games.

Back to the Hill - Dornita Hemphill, 10am-3pm, at our table promote Football Mania but will these sales interfere with student's ability to sell? Maybe track separately?

First home football game is 9/2/22

Burlington Day Parade: Klein's Produce will be there, need to reach out to Klein's and Sign-Up Genius for parent volunteers.

Kathy Olvera has access to a drone but can we use it at football games? Need approval and "press pass" from Ted Juske, Athletic Director. Drone for band rehearsal is ok. Create a Google folder and share with Jim Struyk. Drone does stills and video.

Kathy Olvera and Chris Kobylewsky both need passwords to the Boosters drive.

Motion to Adjourn: Approved
