To qualify for this scholarship program, the applicant must:

- Have been a Central High School student for at least four (4) semesters.
- Be eligible to graduate from Central High School on/or before **May 23<sup>rd</sup>, 2023**.
- Have earned four credits in band, jazz band, chorus, or chorale by the time of graduation or a combination thereof.

This scholarship will be paid after the winning applicant(s) submits a copy of a first or second semester grade report from an institution of higher learning to the Central Music Boosters. The grade report must indicate that the applicant has successfully completed a music class and has earned at least 12-semester hours (or equivalent) during the semester of the **2023-2024** academic year.
